Thanks for the quick response Karen, much appreciated. We can confirm this is now our submission, just in case the team finds it beneficial to start working on the assessment ahead of final deadline date to spread their workload, but obviously appreciate you have your own processes to follow.

Many thanks!

Klair

Hi Klair-

I do see the 17 documents. You will receive a more formal confirmation once we finish our intake process—within a week of the deadline.

Hi Karen – many thanks for setting up this folder and providing access. I have just uploaded LRS' submission, comprising the main LOI document (pdf) and a supporting materials folder comprising 16 documents. I would be grateful if you could check your side that these documents are all showing and if so, provide confirmation and notify the WIFIA program team of our submission.

Please let me know if you are not seeing these documents (17 in total) and we will try again.

Many thanks in advance!

Klair
